

Gen. Wingate could not tell the living voice from its RE-CREATION by the NEW EDISON

If you are thinking phonograph for Christmas, give serious thought to General Wingate's letter.

It suggests, doesn't it, that Mr. Edison has made his phonograph a new kind of instrument, —something infinitely finer and more desirable than the ordinary phonograph or talking-machine.

The New Edison has created the new standards by which people judge phonographs and talking-machines today.

To discover those new standards, you must

Hear the marvelous NEW EDISON

You will discover a phonograph that actually gives all the beauties of the original music. You will find an instrumentality that actually brings all the power of the original music to soothe, refresh, and encourage mind and body.

These wonderful results are possible, because the New Edison RE-CREATES music so perfectly that RE-CREATED performance can not be told from original performance. The New Edison is the only phonograph which sustains this test,—the test of direct comparison. This fact alone sets the New Edison apart.

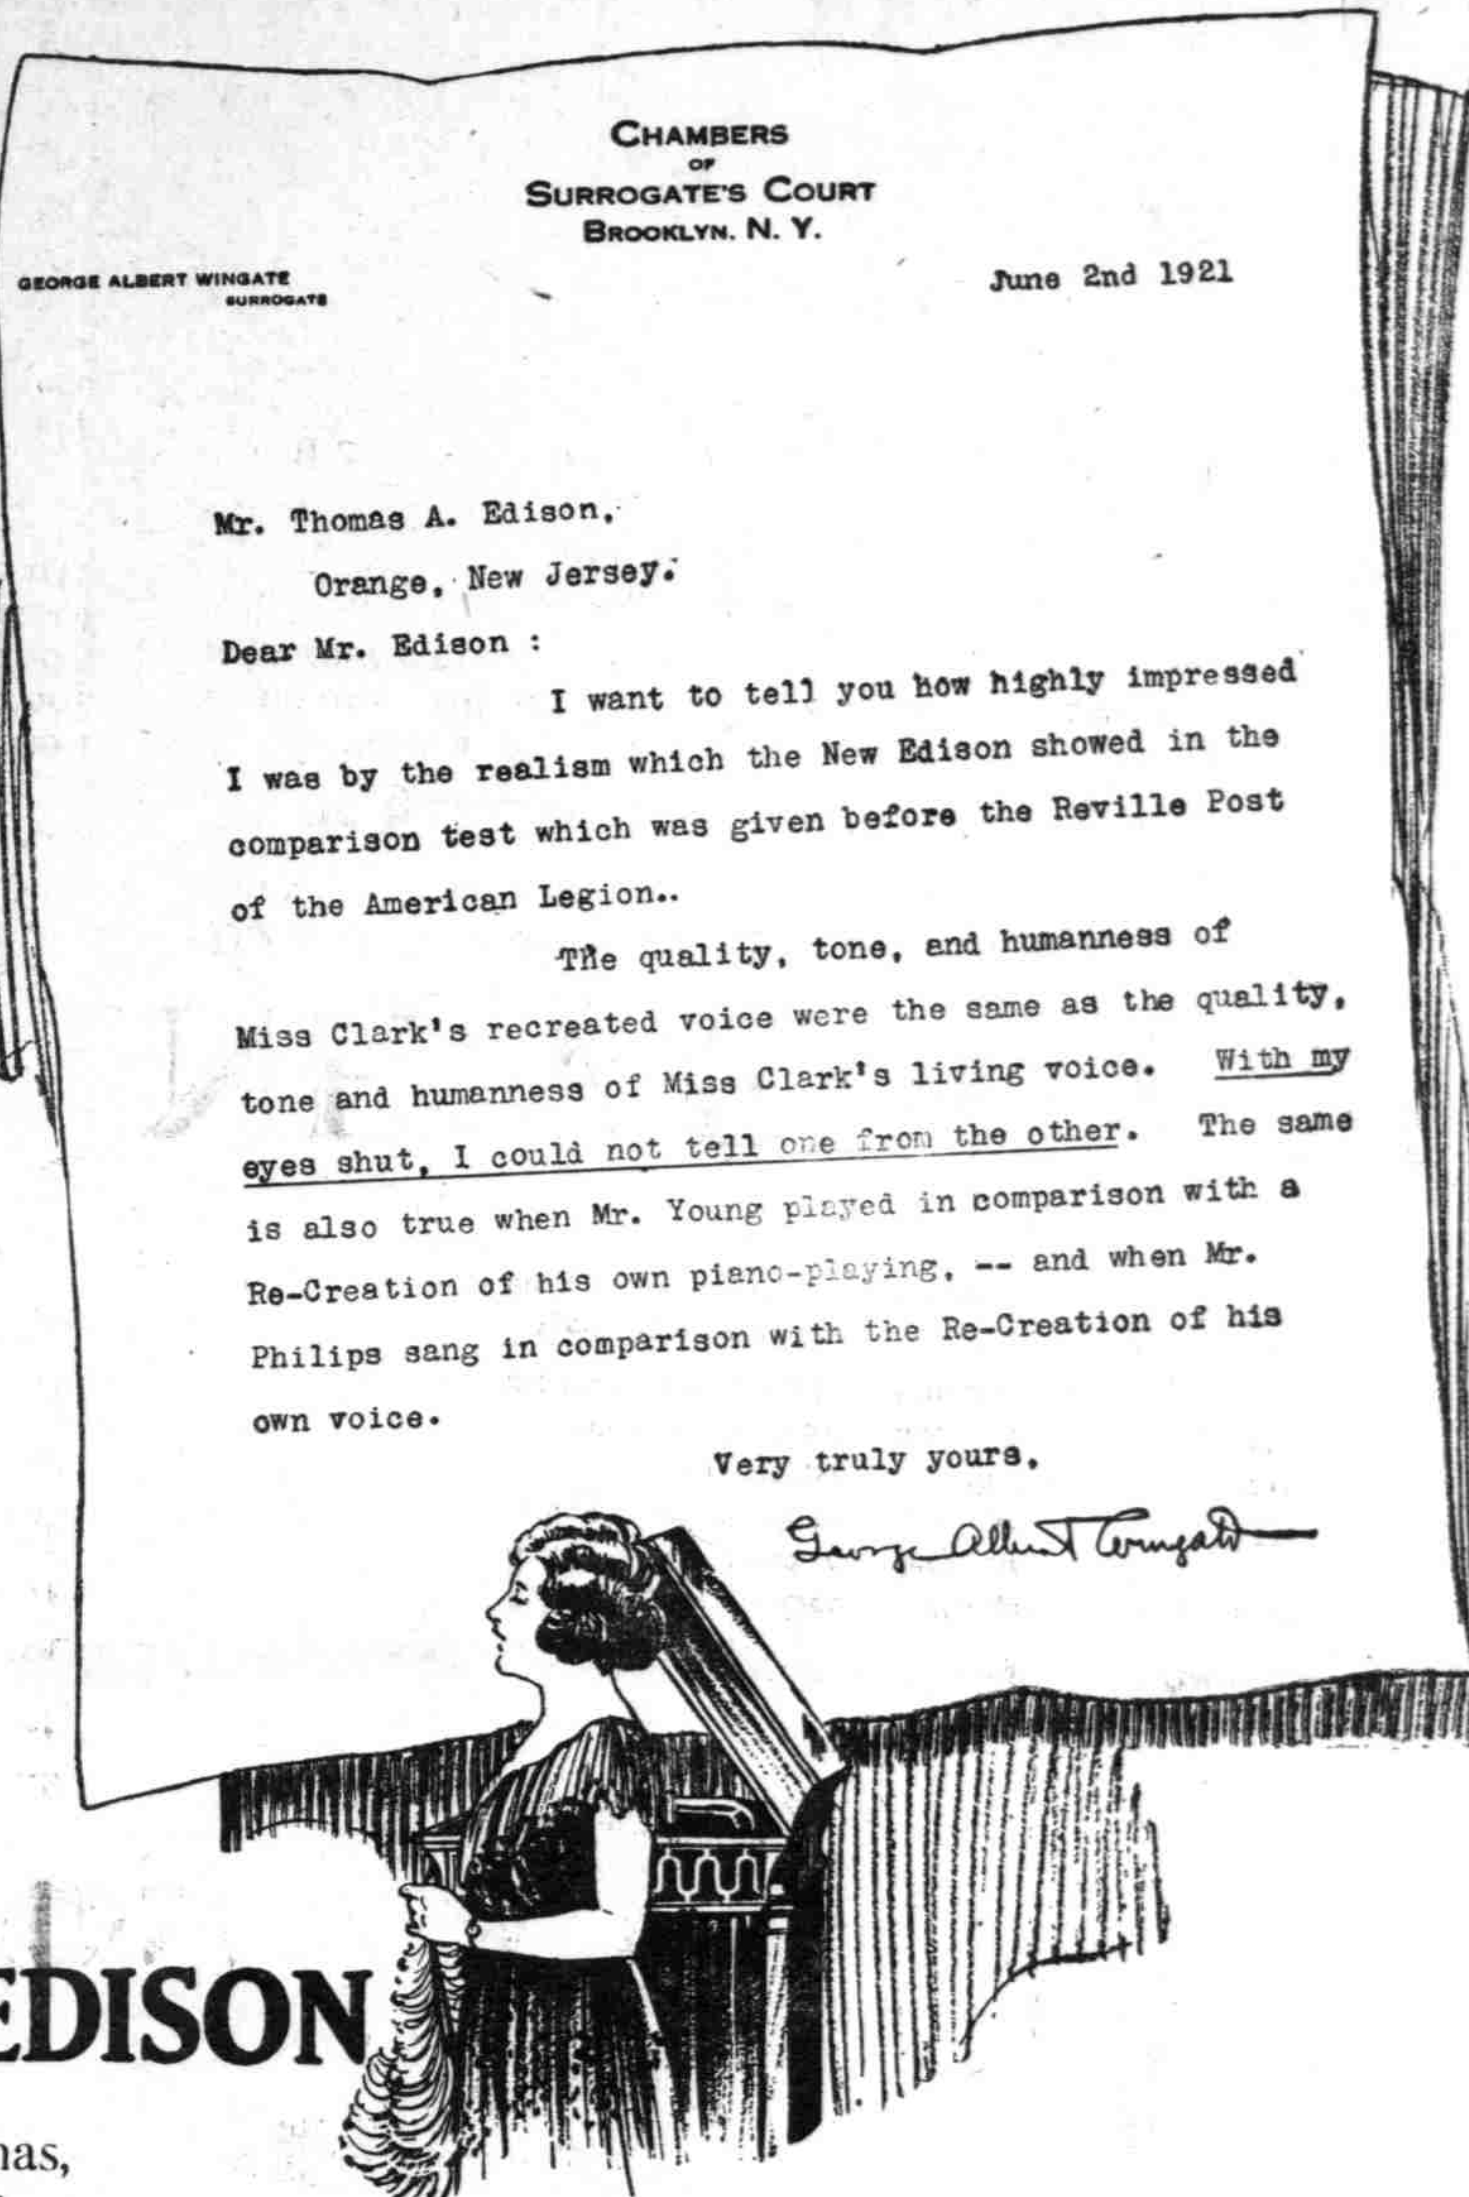

Christmas Concerts

GEORGE ALBERT WINGATE
SURROGATE

June 2nd 1921

Mr. Thomas A. Edison,
Orange, New Jersey.

Dear Mr. Edison :

I want to tell you how highly impressed I was by the realism which the New Edison showed in the comparison test which was given before the Reville Post of the American Legion.

The quality, tone, and humanness of Miss Clark's recreated voice were the same as the quality, tone and humanness of Miss Clark's living voice. With my eyes shut, I could not tell one from the other. The same is also true when Mr. Young played in comparison with a Re-Creation of his own piano-playing, -- and when Mr. Philips sang in comparison with the Re-Creation of his own voice.

Very truly yours,

George Albert Wingate

The test General Wingate heard

IN the insert is General Wingate, who commanded the 52nd Field Artillery during the war. The audience, of which he was a part, heard Miss Helen Clark sing in comparison with the RE-CREATION of her voice by the New Edison on May 25th, 1921, in the 2nd Field Artillery Armory, Brooklyn.

Gen. Wingate wrote Mr. Edison, "With my eyes shut, I could not tell one from the other."
